White Pines Ranch
OUTDOOR EDUCATION
Description of Program Plans
2027-2028

White Pines Ranch offers several programming options to accommodate a variety of schools' needs. This document includes our more popular options.

B Plan- Whites Pines Ranch staff share teaching responsibilities with school staff. It is approximately a 50/50 split of daytime teaching and evening activities. Student to teacher ratio is around 15:1.

C Plan- White Pines Ranch staff facilitate all the daytime teaching and evening activities. Student to teacher ratio is around 20:1. One teacher per instructional group is required to accompany student activities.

Note for both B and C Plans- Teachers are responsible for supervising students overnight, when students are in the dorms, any free time before or after meals, during 4:00-5:30 PM, and during the journal writing time. Schools provide equipment (usually recreational) for the activities they offer from 4:00-5:30 PM. Teachers should design, duplicate, and bring journals for reflective and creative writing after supper.
